# The Wonders of CS 146

By: Ed Minnix, Matthew Koroluk, Christopher Rudel,  
& Andrew O'Brien

# Overview:

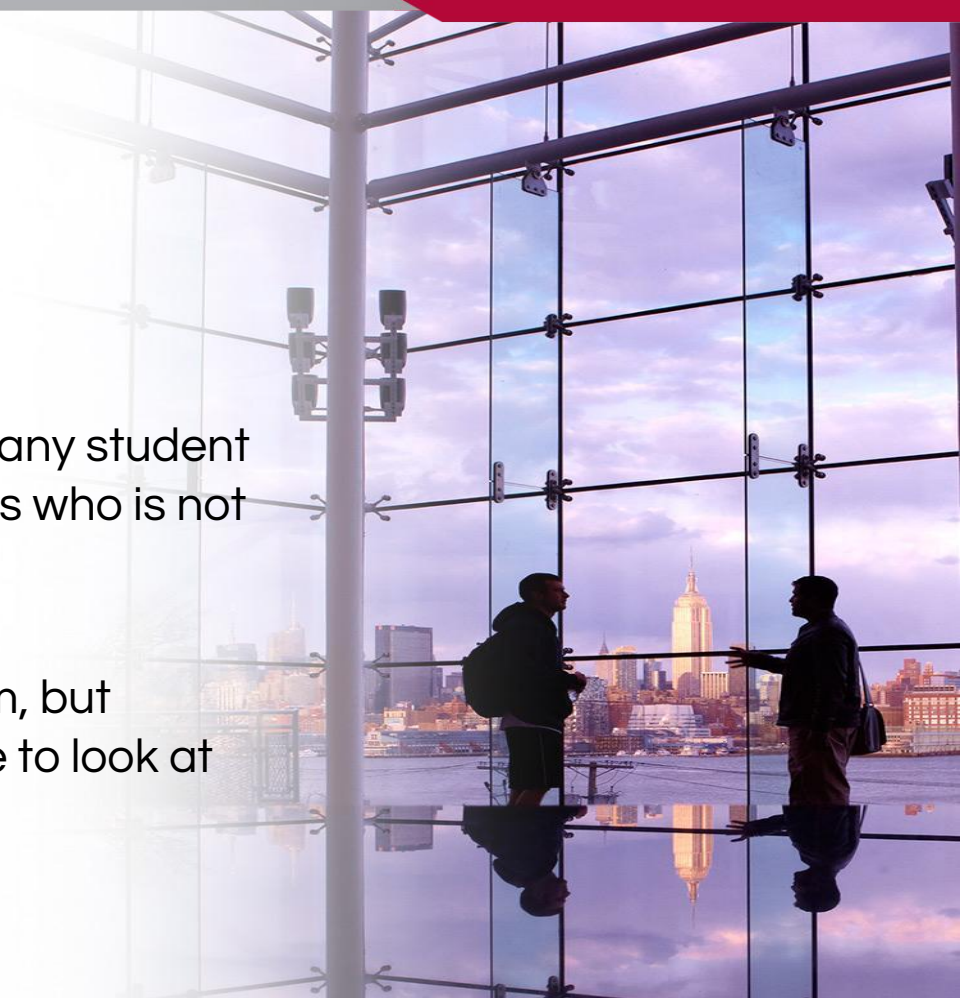

- Target Audience
- Goals
- Struggles
- Tools / Tech
- Demo

**STEVENS**  
INSTITUTE *of* TECHNOLOGY  
THE INNOVATION UNIVERSITY®

# Who is this for?

- Our target audience for this website is any student in Stevens or aspiring to attend Stevens who is not currently enrolled in CS 146.
- This website is not aimed towards them, but computer science majors are welcome to look at the website too!

**STEVENS**  
INSTITUTE *of* TECHNOLOGY  
THE INNOVATION UNIVERSITY®

# Our mission

- The goal of this website is to inspire students outside of the Computer Science program to take CS 146 in order to gain valuable skills like Product management and making websites.

**STEVENS**  
INSTITUTE *of* TECHNOLOGY  
THE INNOVATION UNIVERSITY®

# Struggles

- Finding times for a group of four to meet
- Lack of collaborative, live file editing
- Learning new languages
- Time constraints

**STEVENS**  
INSTITUTE of TECHNOLOGY  
THE INNOVATION UNIVERSITY®

# Tools & Tech Used

- HTML5, CSS3, JavaScript
- Added a sticky navbar w/ CSS for consistency
- Form interception and processing with JS
- JavaScript Quiz Engine
  - Scales easily across multiple Pages
  - Grades user input
